# CARSTENS

AMSTERDAM  
*Café*

Our all-day dining concept creates a versatile space to meet friends or colleagues before or after work, and serves as the perfect pit stop before enjoying the sights Amsterdam has to offer. Our menu is well-suited for various traditional breakfasts, indulgent dishes, and snacks. We take pride in using the most sustainable Dutch ingredients from our own soils, waters, and meadows, sourced from local suppliers.

Carstens Café also offers a drinks menu blending renowned international beverages with a Dutch touch. Partnering with local suppliers like Wynand Fockink (WF), a Master distiller since 1679 located in the heart of Amsterdam, we create uniquely delicious drinks with vibrant colours. Our local gem, Brouwerij 't IJ, has been crafting specialty beers since 1985. Founded by musician Kasper Peterson, the brewery continues to uphold its tradition of introducing innovative beer styles, such as the I.P.A. and pale ales.
